About the Investment Management Association of Singapore

Representing over 100 investment managers with assets under management in Singapore of about SGD 1.3 trillion, the Investment Management Association of Singapore (IMAS) seeks to set the benchmark for the investment and fund management industry in Singapore by fostering high standards and professionalism while promoting exemplary practices among its members. IMAS was formed on 22 September 1997 and is the representative body of investment managers spearheading the development of the industry in Singapore. It serves as a forum for members in discussions as well as a collective voice where representation is needed on behalf of the investment management industry, facilitating training for its members, and contributing towards investor education.
