

## Eugene Leong

Deputy Director and Head  
Financial Products & Solutions  
Division, Financial Markets  
Development Department  
**MAS**

Eugene leads the Financial Products & Solutions Division at the MAS, which is responsible for designing and executing strategies to further grow and develop Singapore's FX, derivatives and capital markets (including equities, fixed income and ETFs). Prior to this, Eugene led the team that ran the Singapore Government's debt issuance programme covering Singapore Government Securities (SGS), Treasury Bills (T-Bills), and Singapore Savings Bonds (SSB), and was part of the team that was responsible for MAS' money market and FX operations.
